The All Americans in World War II: A Photographic History of the 82nd Airborne Division at War
Phil Nordyke
On the night of July 9/10, 1943 the All Americans of the 82nd Airborne Division jumped into history as they made their first parachute assault of World War II. Three others would follow: Salerno, Normandy, and Holland. In total the division served more than three hundred days in combat, a record unmatched by any other American division.
With nearly four hundred historic photographs, many never before published, *The All Americans in World War II* provides a complete photographic history of the 82nd Airborne Division as it fought its way across Sicily, Italy, France, Belgium, and Germany, ultimately all the way to Berlin as part of the American occupation forces. This book is an essential addition to any serious World War II collection and a tribute to the fighting spirit of this legendary division.
