The Making of a Marchioness and The Methods of Lady Walderhurst

Frances Hodgson Burnett

The Making of a Marchioness and The Methods of Lady Walderhurst Frances Hodgson Burnett

In early 1901, 15 years after *Little Lord Fauntleroy* and 10 years before *The Secret Garden*, Frances Hodgson Burnett wrote *The Making of a Marchioness*. She followed this short novel in the spring of the same year with the sequel, *The Methods of Lady Walderhurst*. The satisfying Cinderella quality of the first book which illustrated the harsh realism of Edwardian society, combines with the exciting melodramatic developments in the second book to create an intriguing story that continues to entertain us today.

Author Frances Hodgson Burnett (1849-1924) was an English-born author of romances and books for children. After moving to America in 1865 she established a popular reputation with the publication of *That Lass o'Lowries* in 1877. She is best known for such stories as *Little Lord Fauntleroy*, *The Little Princess*, and *The Secret Garden*.
