***** THIEF OF HEARTS: UNMASKED - PART II in the Thief of Hearts Saga*****

How could Zaina have made such a horrible mistake?

Lord Hood, her good and noble master, hovers between life and death because of Zaina's betrayal. In order to save him, she must make a deal with a scale-covered-dragon-wielding witch—a potion to heal Hood in exchange for a vow to assassinate a king.

However Zaina may never get the chance to fulfill her mercenary task, for once Hood awakes—healed by black magic—darkness festers inside his soul and Zaina finds herself on the wrong end of the sharp tip of his sword. Not only is she fighting for her life, she must continue to keep her true identity a secret, no matter what her feelings are for Hood. If anyone should find out who she truly is, all those she loves will find themselves at the mercy of a horde of merciless dragons.
