When orc raiders attack her caravan and the guards lie dying, Gillian expects a similar fate. Instead, she discovers the beasts have other plans for her. Bound and blindfolded, she knows each step brings her closer to an uncertain future. But when she captures the attention of a powerful orc—a grayskin that looks at her with such raw, piercing need that she is held captive in his gaze—it occurs to her that he may be the key to surviving the barbarity of the horde. Her only hesitation is that she must consider what he will demand in return for his protection.
