What Were They Thinking? On Truth, Liberty & Legacy Carol Sewell
"What Were They Thinking? On Truth, Liberty & Legacy" was written for the purpose of educating Christians by giving them the information they need to teach their children/grandchildren biblical worldview, America's true history, and our biblical system of government. "What Were They Thinking" pulls all the elements together in one easy to understand read. Armed with this information you will be able to fully engage in the battle for the heart and soul of our nation and ultimately the church. Once the body of Christ is educated & thinking in agreement with God's word we can change the culture of the nation and secure liberty for all. This is the book every Christian home should have. We must be equipped to train the next generation in order to change the culture and secure the future of America. It will take three generations being in agreement to bring the change needed to secure the future. Had we been faithful to intentionally teach these things to each generation we would not be a nation in decline. "What Were They Thinking" makes it simple for us to repent and begin to do what past generations have failed to do! Now is the time to commit to engage in this battle and bring unity to the body of Christ.
