Wrestling 3-Pack Bundle: The Undertaker's Dumbest Storylines, The Streak: The Undertaker's Wrestlemania Legacy, Wrestling History Revisited Stuart Carapola
Now bundled together at a special discount price are three of my bestselling wrestling titles:

The Undertaker's Dumbest Storylines: Despite being one of the most respected and popular wrestlers in the history of WWE, the Undertaker has been the subject of some of the most cartoonish, offensive, and downright silly storylines ever seen in professional wrestling. Whether the Undertaker was sacrificing other wrestlers, being investigated by the Naked Gun's Leslie Nielsen, becoming the victim of radical terrorist attacks, or killing his own manager by burying him alive in concrete, these are the storylines that would have immediately killed any other wrestler's career, but for the Undertaker, were just another day at the office.

The Streak - The Undertaker's Wrestlemania Legacy: There have been a number of impressive longevity records set in the world of professional wrestling over the years, but they all pale in comparison to the feat that stands out far and above all others: the Undertaker's legendary undefeated streak at Wrestlemania. The Undertaker defeated every opponent thrown in his path at Wrestlemania for nearly a quarter of a century, and the Streak grew to such legendary proportions that it was regarded by many to be of even greater prestige than the WWE World Title.

Wrestling History Revisited: What if Vince McMahon bought WCW in 1998 instead of Ted Turner? What if the NWO was never formed? How about if WCW survived past March of 2001? How could WWE have been rebuilt after the failure of the WCW/ECW InVasion? This book answers those questions and more!
