Codex of Love: Holy Book of World's Oldest Divinity Temple of Ishtar
Did you know that long before prophetic men living in the desert changed the course of history of our planet, a living prophetic tradition of women preached about a much older religion of a Goddess that is LIFE itself? Long before Jesus talked about love, Her priestesses did. Long before the Quran declared the Divine to be the Light of the heavens, Her priestesses did. Why should something that happened thousands of years ago matter to you today? It matters because the Goddess' prophetic tradition still lives! Just like debar Yahweh (the word of Yahweh) was heard 3000 years ago, abat Ishtar (the word of Ishtar) still cries for you to hear today. "O seeker, if you ask who is Ishtar, look at the stars, they will tell you My story. If you ask where is Ishtar, look deep within your eyes and you shall see Me. If your mind says I don't believe in Ishtar, dwell on the image of your beloved and you will remember Me. In the heart of every man and woman is a star. Seek it and you shall know Me. I am Ishtar and I love you." If you have read the Bible, the Quran, or the Bhagavad Gita, then you owe it to yourself to read the Codex of Love. It is a book that evokes happiness with every reading, whose words of love fall like gentle rain on parched earth. Read it out loud to yourself and be ready to be amazed by the profound sense of love that surrounds you. You will want to read it again and again because the simplicity of its prose hides intensely deep spiritual teachings. Discover what the Goddess' heavenly teachings have to say about: * Living the spirituality of love even if you have been hurt so many times. * Enjoying a more peaceful life in a world filled with war and news of terror. * Finding that true love you always wanted. * Keeping the fires of love, desire, and passion ablaze in your life. * Experiencing intense sacred sex that illuminates your soul. * Walking touched by the spirit of the Goddess every day of your life. Many books have been written on the Goddess, the old religion and neo paganism. Experts talk from an anthropological perspective and some give you basic rituals and hymns. The Codex of Love leaps out, unique in that it is the living words of the Goddess. For the faithful, it is indeed a joy ride of love that gladdens the heart and uplifts the spirit. For the skeptic, it is a pleasurable and tantalizing journey filled with spiritual nuggets of wisdom. No matter your affiliations, if love is your religion at all, you need to read this book.
