Desert War (Annals of the Rising Dawn) Stephen Zimmer
“Desert War” tells the story of Saif, a man from the Order tasked with getting an ancient, powerful artifact out of Libu before those serving the Convergence can take it themselves. The nation of Libu is crumbling fast around him, as militant religious zealots backed by the political elite of the Convergence carry out the overthrow of the current regime. The insurgency is just one part of a much wider design, one that has been advancing over millennia, and the artifact must not fall into the wrong hands.

With the streets of the capital filled with murderous, brutal insurgents, and being hunted by powerful enemies wielding supernatural arts, Saif has to find a way to get the priceless artifact to safe harbor.

“Desert War” is a stand-alone short story that is part of the Annals of the Rising Dawn, a growing collection of tales set in the same history and world as the Rising Dawn Saga novels from Stephen Zimmer.
