The Enoch Treasure: When God Walks With a Friend Dr. Christopher Cunningham
Enoch was one of only two persons in history who did not die, but was “taken” by God. Why was this? What does Enoch know that we do not? In The Enoch Treasure, Dr. Christopher Cunningham, unmasks the genealogy of Adam found in Genesis 5 (where a few obscure verses about Enoch are found), to reveal seven priceless nuggets that can transform the life of every reader. Considered by some as a filler passage between the important parts of scripture, this often overlooked chapter of the Bible contains the key to a life without limits. This transformative book explores why God walks with man. The Enoch Treasure teaches the lessons we may learn about living a fulfilling and rewarding life from our “Walking Partner” and how we may change our circumstances as well as those of the people around us.
