Room at the Top

John Braine

Room at the Top John Braine
"Remember the name John Braine. You'll be hearing quite a lot about him. Room at the Top is his first novel and it is a remarkable one . . . it's a long time since we heard the hunger of youth really snarling and it's a good sound to hear again." - *Sunday Times*

"The most discussed, debated and lauded first novel of the year." - *New York Times*

"This novel is brilliant . . . The observation is shrewd and the emotion and the comedy are so true it hurts." - *Daily Express*

Brought up amid squalor and poverty in a dead, ugly small town, young Joe Lampton has one ambition: to escape the anonymous, defeated crowd of "zombies" and make it to the top. Everything seems to be going according to plan when he moves to a new city, finds a good job and new friends, and inspires the love of a pretty girl with a rich father. Only one thing holds him back: his passionate affair with an older married woman. Forced to choose between true love and his ruthless pursuit of wealth and success, Joe will have to make a terrible decision, with violent and tragic consequences.

Room at the Top (1957), the first novel by John Braine (1922-1986), earned widespread critical acclaim and was a runaway bestseller in England and America, running into dozens of printings and spawning a sequel and an Oscar-winning film adaptation. Still explosive more than half a century later, Braine's classic of the "Angry Young Men" movement returns to print in this edition, which features a new introduction by Janine Utell and the original jacket art by John Minton.

From reader reviews:

David Shetler:

As people who live in the actual modest era should be change about what going on or details even knowledge to make these individuals keep up with the era and that is always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know which you should start with. This Room at the Top is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Rufus George:

Information is provisions for those to get better life, information nowadays can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is from the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you have the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Room at the Top as the daily resource information.

Kathy Norvell:

The actual book Room at the Top has a lot associated with on it. So when you read this book you can get a lot of benefit. The book was authored by the very famous author. The author makes some research just before write this book. This kind of book very easy to read you can get the point easily after reading this article book.

Ellis Pauling:

This Room at the Top is great book for you because the content that is full of information for you who also always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great organize word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but hard core information with lovely delivering sentences. Having Room at the Top in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen tiny right but this guide already do that. So , this really is good reading book. Hello Mr. and Mrs. busy do you still doubt that will?
