The Sinking of the Bismarck: The Deadly Hunt

William L. Shirer

The Sinking of the Bismarck: The Deadly Hunt William L. Shirer
The *Bismark* was the greatest warship ever built, with guns so powerful and accurate it could destroy an enemy ship while safely staying outside the line of fire. But the Allies had to sink it…or risk losing the war. William Shirer, famed World War II correspondent and author of *The Rise and Fall of the Third Reich*, captures every suspenseful moment of the perilous mission. Most tragic of all was the loss of the HMS *Hood*, the British Navy's star battleship, sunk by the *Bismark* in just minutes. However, a mixture of luck and new technology—including radar—turned the tide in the Allies' favor.
