Thorn in My Side (Kindle Single) Karin Slaughter
It could have been just any night, and they could have just been any two brothers--but it wasn't, and they weren't. The scene is an Atlanta bar. The music is loud and the dance floor is packed. The good-looking brother picks up a girl. But when dark deeds ensue out in the parking lot, what happens next can only be described in two words: vintage Slaughter. From the opening scene to the last line, Thorn in My Side is as wicked as it is entertaining--an unforgettable piece of writing from one of the most beloved storytellers working today.
