In English and Spanish. "Cake for Breakfast Every Day - English/Spanish edition" is an easy read-to-me book for youngsters. It's good for dual-language families or for those learning Spanish. Follow the adventures of one child whose imagination will get you giggling as she imagines all the fun things she would do if she lived in a house with no rules. Then ask yourself what would you do in a house with no rules. Would you put a trampoline in every bedroom? You might even eat cake for breakfast every day. Share it with someone you love.

Parents can take the story off the pages and make it interactive by encouraging their children to use their own imaginations as they follow along. What would your child do if there were no rules in their house? Would a thunderstorm be scary? Can they find the mouse hidden in three of the illustrations? What pets would they have? Parents can play along too, sharing all the things they would do without rules. Educators can also use the story in a classroom setting. After reading the story, students can come up with their own "no-rules" scenario and put it down on paper, either as art or in a paragraph.

Sique las aventuras de un niño cuya imaginaci?n te llevara nendo. Imaginese todas las cosas divertidas que puedes hacer si usted vive en una casa sin regias. ¿Qué haria usted en una casa sin gelas? ¿Le pusiera un trampolín en cada habitación? Usted puede incluso comer pastel pana el desayuno todos los días. Compártelo con alguien que usted ama. En Inglés y Español.

Los padres pueden tomar la historia de las páginas y que sea interactivo, fomentando sus niños a usar su propia imaginación a medida que siguen adelante. ¿Cuál sería su hijo a hacer si no hay reglas en su casa? ¿Sería una tormenta dar miedo? ¿Pueden encontrar el ratón escondido en tres de las ilustraciones? ¿Qué animales iban a tener? Los padres pueden jugar a lo largo de ellos y compartir todas las cosas que harían sin reglas. Los educadores también pueden usar la historia en un salón de clases. Después de leer la historia, los estudiantes pueden llegar a su propio escenario " sin reglas" y lo puso en un papel, ya sea como el arte o en un párrafo .
