Who you are today is a result of certain characteristics that have *emerged* from your life experiences, plus the *genetics* with which you were born. This interplay between nature and nurture is the foundation of *Emergenetics*®, a brain-based approach to personality profiling that gives you the keys you need to discover not only your own natural strengths and talents, but also those of others. You will discover your thinking style (Conceptual, Social, Analytical, or Structural) and your behavioral set points (your degree of Expressiveness, Assertiveness, and Flexibility). These insights will help you recognize how you approach new situations, how you get things done, how others see you, how to enhance relationships, and how to communicate with people who are not like you.

Applying *Emergenetics*® to the workplace will enable you to make optimal career decisions, boost your creativity and performance, increase profits, make better decisions, assemble "brain trust" teams, write effective performance reviews, make presentations that appeal to everyone, sell to all kinds of customers, and motivate all kinds of employees.

Emergenetics® offers invaluable insights instantly, and paves the way to personal growth, satisfaction, and success.
