Leonardo da Vinci Antony Mason
The Lives of the Artists series retraces the lives of some of the greatest and most influential artists of the Western world. Each book focuses on the life and works of one artist and presents a selection of great works that illustrate the artist's development. Full-color photographic reproductions, detailed time lines, an explanatory glossary, and a comprehensive index make each title an indispensable part of any art library. Leonardo da Vinci is considered one of the greatest minds of all time. Although he was celebrated as a great artist during his own lifetime, he is now thought of as a scientist, engineer, and inventor as well.
