Book 2

Mel Vaughn is slowly working to pick up the pieces and get her life back together. She's already landed a job at Hoshi Electronics, a prestigious company that could open a lot of doors for her. Everything seems to be going well, except for the fact that she is hopelessly attracted to the CEO, Carter Byron. Even worse, there is no avoiding Carter. After sitting in on a marketing meeting, he takes an interest in her ideas. Then he takes an interest in her. Mel ends up falling for his charms, and they share a moment of passion in Carter's office. Mel is sure that it's a one-time thing, but the CEO has other plans.

Things get more complicated when Mel's boss suspects her of becoming intimate with Carter. As if that isn't enough, a ghost from her past returns to haunt her. Mel can't seem to escape her old life, and now she's wondering if the new one she's started is going to come crashing down around her.

Book 3

After Mel Vaughn's ex-fiancé gets hired at the same company where she works, her life starts to spiral out of control. Now she has to juggle being pregnant and running a marketing campaign with her old boyfriend – Kyle – and her new boyfriend, Carter. Even her relationship with Carter, the CEO, isn't going like she'd hoped. When she catches him with another woman on his arm, Mel reaches her breaking point.

With help from her parents and her friend, Nancy, Mel begins to reevaluate her life and her priorities. She steps up and takes back control, allowing everything to fall into place. Then Kyle gets fired. Later that night, he attacks Mel. When Carter saves her, she realizes she has loved him from the beginning. With him by her side, she's ready to move on with her life, and with motherhood.
