The Fountain of Youth Breakthrough

Dr. Al Sears

The Fountain of Youth Breakthrough Dr. Al Sears
Dr. Al Sears, MD made history in 2010 by bringing telomere biology to the general public. As the first U.S. doctor licensed to administer a groundbreaking DNA therapy that activates the gene that regulates telomerase, he showed how anyone can preserve the energy of youth by controlling the length of your telomere, the true marker of aging.

An avid lecturer, Dr. Sears regularly speaks at conferences sponsored by the American Academy of Anti-Aging Medicine (A4M), the American college for the Advancement of Medicine (ACAM), the Age Management Medicine Group (AMMG), and the Society for Anti-Aging, Aesthetic and Regenerative Medicine Malaysia (SAAARMM).

Now for the first time you can tap the remarkable power of your telomeres and the age-reversing enzyme that helps maintain them. These strategies are proven ways to use the secrets formerly locked in your DNA that could help you live disease-free for the rest of your life.

As the founder and director of Wellness Research Foundation, a non-profit research organization, Dr. Sears has made it his life's work to bring his patients the latest breakthroughs in natural therapies. As part of his ongoing research, Dr. Sears travels the world in search of herbs, novel cures and traditional remedies.

His latest report- The "Fountain of Youth Breakthrough" shows you how to be smarter, stronger, and better in as little as one month.
