The Reckoning (Darkest Powers) Kelley Armstrong

The gripping finale to the *New York Times* bestselling Darkest Powers trilogy!

In the end, there's always a reckoning.

Chloe Saunders's life is not what you would call normal. First of all, she can't figure out how she feels about a certain antisocial werewolf or his charming brother—who just happens to be a sorcerer. Then there's the fact that she's running for her life from an evil corporation that's trying to kill her and her supernatural friends. And finally, she's a genetically altered necromancer who can raise the dead, rotting corpses and all, without even trying.

Not normal.

But Chloe has a plan. And the end is very near.
