Please note this book is for Storyline version 1.:

The *E-Learning Uncovered* series is designed to give you the maximum amount of information in the minimum amount of time. You'll learn about virtually every check box, every menu, and every option in Articulate Storyline. But we don't just tell you **HOW** to check that box or click that menu; we also tell you **WHY** you might or might not want to.

Brand new users will learn all the basics of how to get started: scenes, slides, graphics, layers, states, questions, and screen recordings. Intermediate users will uncover the more powerful tools to create advanced interactions: actions, variables, and conditions—all in one book! Everyone will benefit from the special tips and insider secrets that let you do more and save time.

Look for:

- **Design Tips:** instructional design, graphic design, and usability tips that give you insight on how to implement the different features of the software.
- **Power Tips:** advanced tips and secrets that can help you take your production to the next level.
- **Time Savers:** software shortcuts and ways to streamline your production efforts and save you time.
- **Bright Ideas:** special explanations and ideas for getting more out of the software.
- **Cautions:** "lessons learned the hard way" that you can use to avoid common problems.
