OBAMA: HE REMINDS ME OF THE PERSON I USED TO BE

Stephen Lawson

OBAMA: HE REMINDS ME OF THE PERSON I USED TO BE Stephen Lawson
Straightforward, unique, hard hitting, and take no prisoners are the words that describe the style of this timely book. The author completely stays away from President Obama's politics and only dissects his character flaws. Further, Lawson compares them directly to his own past life where feelings of self-importance, arrogant and haughty behavior, love of self-praise, self-righteousness and the unwillingness to give way to another, as well as speaking too much with empty speech, invoking hypocrisy, vanity, and the use of situational ethics brought him pain and destruction. This book transcends all party lines; Democrat, Republican, Independent, Libertarian, or Tea Party and comes to a conclusion that will leave you with a lump in your throat. This book is two thumbs up!
