As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
