Essentials of Management

Andrew J. DuBrin

Essentials of Management Andrew J. DuBrin
Essentials of Management makes the connection between theory and concepts to actual practice by showing how managers and organizations effectively apply the basic principles of management. The text takes a functional approach, first introducing the role of a manager and the modern managerial environment, before exploring planning organizing, leading, and control . The Sixth Edition has been extensively revised and updated to include the latest information, examples and activities to help readers understand the skills necessary to manage, lead, and compete in today's world.
