Hunted by the Alphas: Part Three (BBW Werewolf Menage Paranormal Romance) Lily Thorn
As hard as it is for Val to choose between wild, gorgeous shifter brothers Ash and Blaze, harder still is keeping her family from slaying them. If that's not enough, she also has to sneak into the heart of enemy territory and find out what the city's vampires are up to without getting herself killed.

And then there's the secret her adoptive parents have kept from her, the one that will change everything.

This is the third part of an ongoing story. Not a standalone. Cliffhangers abound.

For adult readers comfortable with ménage romance, as some installments contain explicit scenes with multiple partners.
