Jonathan Cahn - ENDTIMES SET -The Harbinger: The Ancient Mystery That Holds the Secret of America's Future + The Isaiah 9:10 Judgment: Is There an Ancient Mystery that Foretells America's Future? (Book + DVD) Jonathan Cahn
Is it possible... That there exists an ancient mystery that holds the secret of America's future? That this mystery lies behind everything from 9/11 to the collapse of the global economy? That ancient harbingers of judgment are now manifesting in America?
That God is sending America a prophetic message of what is yet to come?

Before its end as a nation, there appeared in ancient Israel nine specific warnings and omens of national destruction - These same nine Harbingers are now manifesting in America with profound ramifications for America's future and end-time prophecy.

Hidden in an ancient biblical prophecy from Isaiah, the mysteries revealed in The Harbinger are so precise that they foretell recent American events down to the exact days... the 3,000-year-old mystery that revealed the exact date of the stock market collapse of 2008... the ancient prophecy that was proclaimed from the floor of the US Senate and then came true...and more. The revelations are so specific that even the most hardened skeptic will find it hard to put down. Though it sounds like the plot of a Hollywood thriller - IT'S REAL.

Jonathan Cahn, the author of The Harbinger, has been shocking audiences by revealing the astonishing parallels between the fall of ancient Israel and current events unfolding in the US, what he calls "an ancient mystery that holds the secret of America's future and the collapse of the global economy."

In this stunning new documentary The Isaiah 9:10 Judgment, Rabbi Cahn unravels the mystery behind this seemingly innocuous Biblical verse, and shows that ancient harbingers of judgment are now manifesting in America, just as they once did in Israel. This fascinating new DVD asks the question, "Is God sending America a prophetic message of what will soon be?" and RabbiCahn provides the answers through mounting evidence that the answer is 'yes.'
