Much Ado About Nothing (Shakespeare for Everyone Else Book 1) C.E. Wilson
Shakespeare's work features some of the most memorable stories and characters ever created, yet for too many curious readers the combination of ultra-dense dialogue and unfamiliar historical settings make tackling the Bard's work something between a tedious chore and a confusing mess of bird-bolts and quondam carpet-mongers.

While it's nearly impossible to replicate or improve on these works, it is (thanks to their timeless nature) possible to make them more accessible to a wider audience.
In this Young Adult retelling of one of William Shakespeare's most iconic plays, join C.E. Wilson as she breathes new life into Much Ado About Nothing, the first in her series Shakespeare for Everyone Else.

Two couples.

Clark and Heaven.

Beatriz and Bennett.

After years of friendship Clark decides that his senior year is the time to finally profess his love to his long-time crush Heaven; a sweet and simple girl who her father knows to be loyal, trustworthy and caring. She returns Clark's love because, like him, she has also seen her feelings blossom over time. Theirs is a cute love that differs a bit from the other couple in the play.

Beatriz and Bennett at first glance seem to want nothing to do with the other. Every conversation, every remark is a withering attack which reveals their lost history and similarities. It's not long before their friends hatch a plan to set them up because everyone is convinced they still love and care for one another. Will either of them be able to resist the strong attraction between them?

As these two couples try to make it through their senior year, their friend Donnie does what he can to keep the group happy. The problem lies in Donnie's half-brother Jason who wants nothing more than to spoil the fun – even at the cost of Heaven's reputation.

When both couples are pushed to the limits, whose love will endure?
