Bumposaurus Penny McKinlay
Bumposaurus the baby dinosaur is ready to take on the world, but he’s so near-sighted he can’t even find his way out of his egg. Once he does manage to get hatched, the fearless little guy learns that life doesn’t get much easier. This hilarious story looks at the question of difference in a lighthearted, sympathetic way. Penny McKinlay’s exuberant narrative and Britta Teckentrup’s bright, vivid artwork — helped along by the endearing foibles of the main character — make the book's gentle lesson in tolerance and friendship both entertaining and reassuring.
