Earth Awakens (The First Formic War) Orson Scott Card, Aaron Johnston

The story of The First Formic War continues in *Earth Awakens*, nearly 100 years before the events of Orson Scott Card's bestselling novel *Ender's Game*...

When the alien ship screamed through the solar system, it disrupted communications between the far-flung human mining ships and Earth. So Earth and Luna were unaware that they had been invaded until the ship dropped into Earth orbit, and began landing terraforming crews in China. Politics slowed the response on Earth, and on Luna, corporate power struggles seemed more urgent than distant deaths. But millions of people were dying, and the planet could be lost.

It's up to Mazer Rackham's squad in China, who have developed a method to destroy the alien landers one by one; and Lem Jukes and his crew on the Moon, who may have the key to destroying the Formic mother ship in orbit.

Joan Hanson:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
