Intermediate ROBLOX Programming: (Full Color Edition) Brandon J LaRouche
If you are coming into this book with no prior ROBLOX Lua knowledge, then you might find the book a little difficult. The whole point of the book is to teach ROBLOX Lua at an intermediate level. Intermediate means that it is in between basic and advanced. Every chapter in this book flows in some way or another. Tutorials have a corresponding explanation chapter. An explanation chapter will discuss the point of a tutorial and explain the topics that were covered. By the time you have completed this book you should be quite fluent with ROBLOX Lua. You should not expect to know the advanced topics and parts of ROBLOX Lua, but you should be familiar with a lot of the language. With your knowledge of the language you should now be able to make games that can start to compete and earn their way up on the ROBLOX gaming charts.
