Teenage Girls Issues 1

Peter Lumba

Teenage Girls Issues 1 Peter Lumba
Young girls are targets of people with evil minds who want to take advantage of their innocence and inexperience in matters related to relationships, sexuality and personal development. This book advices on issues and temptations relevant to their age and gender that in one way or another, every young girl must come across as she grows up.
Virtually all teenage girls are driven by the desire to love, to be loved and to learn. Teen age is a very challenging period when the girl is in the middle of a gruelling struggle to achieve a sense of balance between her hormones, her good sense and her curiosity. The only weapon she has is the teachings she received from her parents, her teachers and the church. And to say the least, these tutors have always been very mean with the truth. Armed with meagre facts, the young girl is expected to contend with the wisdom of not only her peers, but also with both young and old men who claim to offer her ‘love’. These love offers come in form of pleasantries, refreshments and entertainment pursuits to be reciprocated by sex favours.
