7 Simple Steps to Effective Goal Setting

This book is geared toward anyone looking to improve all aspects of their life.

This book contains all the information you need to know about setting effective goals.

Everybody wants success in their life, but unfortunately only few get there. We used to say that successful people are talented, skilled and lucky. However, if you take a closer look at the successful people then you will find that they are all goal oriented. That is, they know well what they want in their life.
Yes, that is the real secret behind their success. Just look at the careers of the many celebrities, sportsmen, professionals or business tycoons. You will find that from their childhood they knew very well what they wanted to be in their life. They just kept on working towards their goal and found success.

If you don’t know what you want in your life then it is really hard for you to get what you want in your life.

This book will emphasize on 7 simple steps required to set your goal efficiently, how to continue this practice and the way you can evaluate your achievement.

At the end of your reading you will think about what you really want in your life and will know well how to get there

Here is a preview of what you'll learn:

- Understanding Passion
- Organization Techniques
- Proper Planning of Goals
- Power of Deadlines
- Importance of Celebration
- And much, much more!

Following the advice in this book has the power to help you set effective goals and achieve them.
