FREE BOOK ON HOW TO MAKE MONEY ONLINE!

The revolution in technology has opened the space for more opportunities in this internet age. The opportunity created by this technological innovation has led to the proliferation of online businesses.

- What then is the attraction in this field?
- Why are more and more online businesses springing up?
- What do you need to know about creating a successful online business?

These are the questions this book will seek to answer. Businesses often time require abstract skills to maintain. These abstract characteristic found within a person would be an added advantage to the overall success of the business. So it is not just about hiring a person because of their degrees, it is about looking beyond this and seeing the qualities in such a person.

It is with this in mind, that this book will be divided into five parts;

- Creating a Successful Online Business
- What to do and NOT do
- Outsourcing.
- Benefits of outsourcing
- An overview of how VAs should fit in your business
