Pass The Mensa Test Aved Publishing
First I must congratulate you on taking a positive step that will open new doors in your life. What you have before you are the secrets that will may help you pass the Mensa IQ entrance test, officially known as the supervised Mensa test.

The Mensa admission test features a number questions aimed to measure the logic and deductive reasoning ability of the person and is scheduled to be completed in two hours. The test battery is additionally designed to assess the intelligence of the individual without the impact of cultural climate, educational level or verbal proficiency. The Mensa tests traditionally are non-verbal and require that the person is able to perceive relationships in shapes and figures. Persons who have scored at or above the 98th percentile on either of the two given tests are automatically eligible and invited to join Mensa.

Most Mensa preparation workouts and prep books will provide you with an excellent form of practice questions allowing you a first hand experience of what the actual Mensa battery tests will be like. A majority of these preparation resources do not take the necessary time to focus on the physical, mental and emotional learning attributes of the candidate preparing to sit the Mensa battery tests. In my book I will share with you many secrets to boost your brainpower to its peak performance guiding you to bring it all together in preparing for the Mensa test and taking that first step to the limitless possibilities that await.
