The Billionairess' Baby's Surprise Father Tabitha Foster
Can a self-made billionaire businesswoman and a handsome altruistic Army veteran open their hearts to give each other the ultimate gift…a child?

Summer Edwards has always done everything her way and with no apologies. Starting from nothing, she created and grew a billionaire dollar vintage clothing inspired retail chain and lifestyle website celebrating the independent, modern woman. When Summer decides she wants to have a child…but be a single mother without the heart-breaking risk of romance…she decides she may have found the perfect donor in her gardener, the handsome, ambitious, and caring Army veteran Owen.

After returning from his final tour of duty in Afghanistan, Owen discovered how difficult it can be for military veterans to resettle back in civilian life and is inspired to start a non-profit organization, Troops to Today, to assist veterans in their next career steps. When he takes a job as the gardener for billionaire Summer Edwards, his focus is on saving enough money and securing grants to make his dream a reality. When Summer proposes that he father her child in exchange for the starter money for his organization, Owen doesn't think he could possibly have a child he didn't take an active part in raising.

But as Summer and Owen, both naturally independent-minded, start to truly get to know each other, an undeniable spark emerges between them and what starts as a business proposal quickly becomes a matter of the heart.
