Women of the Old Testament Camille Fronk Olson
From the beginning, women have been at the very heart of God s plan. Women of the Old Testament focuses on twenty remarkable women representing different ages, economic circumstances, family status, and cultures. All of them had challenges, but each had a divine potential to contribute to the Lord s work. Bestselling author Camille Fronk Olson brings these women to life, going beyond the traditional scripture story to provide insights that are amazingly relevant today. Elspeth Young s exquisite, full- color illustrations also reveal something about each woman s life and the customs associated with her culture. A Points to Ponder section at the end of each chapter offers thoughtful questions to consider individually or in a discussion group.
