Forced to Bloom, The Complete Series: (BBW Alpha Male Billionaire BDSM Romance) Alexis Adaire Rachel Malinsky has been **curvy** as long as she can remember. **BBW, voluptuous, Rubenesque**... she's heard all the sexy ways of describing her figure, but a string of previous boyfriends nonetheless left her for thinner women. Frustrated, she decides to try something she's read about in a popular novel trilogy, not realizing that doing so will change her life forever in ways she can't possibly imagine.

Rachel isn't certain the **"Billionaire seeks submissive"** ad in Craigslist was actually placed by a billionaire, nor does she know if this man will be interested in her curvy body. Hell, she isn't even sure she really wants to be a submissive to begin with. But the moment he starts instructing her to do things that terrify her, such as stripping for him on video or exposing a breast in public, she's hooked. *To complicate matters, she doesn't know who he is or what he looks like.* The mysterious **alpha billionaire** remains hidden behind a computer screen while he sends her out dressed provocatively -- or even undressed. Can Rachel ever convince the man she knows only as M to meet her face-to-face? *More importantly, how can she be falling in love with a man she has never seen?*

Forced to Bloom is a sexy, sizzling, intelligent romance series that will arouse your lust and engage your mind. BBW Rachel is surprised when a submissive relationship with an **alpha male billionaire** eventually leads her to discover her missing self-confidence. This is a story about **control, domination, curves, exhibitionism and love**.

Warning: ADULTS ONLY! This story was written for adults 18 and over and includes scorching hot, graphic sex scenes.

"I was so VERY excited that Alexis Adaire was releasing an BBW romance that not only was contemporary but an intelligent romance as well. What do I mean by that you ask? Well if you read BBW books, most of them are paranormal or wham, bam, thank you mam books and while I do love those books, it’s nice to read a book where the leading man doesn’t change into an animal. This book literally had me on the edge of my seat... I am already addicted." http://britnannyreads.blogspot.com
