Family Violence: What Health Care Providers Need To Know

Rose S. Fife, Sarina Schrager

Family Violence: What Health Care Providers Need To Know Rose S. Fife, Sarina Schrager
Family Violence: What Health Care Providers Need to Know provides an overview of all aspects of family violence, including current statistics, theories, and the clinical fundamentals that all health care providers need to know. Exploring both the individual and societal impacts of family violence, this text discusses the interrelationships within families and communities and provides policy and legal information of relevance to health care providers. Family Violence: What Health Care Providers Need to Know will help health care providers see the big picture of family violence and how it impacts the health of patients who experience family violence. This book will be an important resource for both students and medical professionals such as, physician assistants, family practitioners, general internists, obstetricians, gynecologists, social workers, emergency room staff, nurses, physical therapists, occupational therapists, speech-language pathologists, dental professionals, and other health professionals. Family Violence: What Health Care Providers Need to Know includes validated screening tools, providing clinicians with the information they need to identify signs of abuse, communicate with victims and perpetrators, and take appropriate action.
