Haters Alisa Valdes-Rodriguez
When Pasquala Rumalda Quintana de Archuleta (Paski)'s cartoonist father returns to Taos from a business trip wearing designer sunglasses and a velour Juicy men's track suit, she knows her life is taking a turn for the worse. Paski and her father move to Southern California, where his comic strip has been optioned for a movie.

At her new high school, money is everything and the haters rule - especially beautiful and cruel Jessica Nguyen. While Paski tries to concentrate on mountain biking and not thinking too much about ultra-hot Chris Cabrera, she is troubled by disturbing visions. Her psychic grandmother warned her that ignoring her gift of premonitory visions would lead to trouble. Can Paski ever find a home in the land of the glamorous haters?

From reader reviews:

Heather Snyder:

The book Haters can give more knowledge and also the precise product information about everything you want. So why must we leave a very important thing like a book Haters? A number of you have a different opinion about book. But one aim in which book can give many information for us. It is absolutely right. Right now, try to closer using your book. Knowledge or facts that you take for that, it is possible to give for each other; you could share all of these. Book Haters has simple shape but you know: it has great and big function for you. You can appear the enormous world by wide open and read a reserve. So it is very wonderful.

Amanda Grant:

Book is to be different per grade. Book for children until eventually adult are different content. We all know that that book is very important usually. The book Haters has been making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The guide Haters is not only giving you much more new information but also to get your friend when you truly feel bored. You can spend your personal spend time to read your publication. Try to make relationship with all the book Haters. You never feel lose out for everything when you read some books.

Theodore Mullis:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them family or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read the book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent all day long to reading a e-book. The book Haters it is very good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. If you did not have enough space to deliver this book you can buy the e-book. You can m0ore simply to read this book through your smart phone. The price is not very costly but this book offers high quality.

Tyrone Hogans:

Are you kind of stressful person, only have 10 or even 15 minute in your time to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you are having problem with the book when compared with can satisfy your short time to read it because this all time you only find reserve that need more time to be go through. Haters can be your answer mainly because it can be read by anyone who have those short time problems.
