Larger than Life

Kay Hooper

Larger than Life Kay Hooper
From *New York Times* bestselling author Kay Hooper comes a novel of romantic intrigue about a pop music sensation with an unforgettable voice—and a secret past she keeps hidden even from the man she loves.

What makes Saber Duncan sing with such passion? Her sensual voice moves women to tears and makes men want to go out and slay dragons to get close to her. Yet a few years ago this budding superstar was just another lightweight pop diva. So what changed? As her would-be biographer Travis Foxx embarks on a quest to uncover the painful secret in Saber's past, a mutual attraction intensifies. But he finds himself blocked at every turn by the walls she has thrown up to guard herself from outsiders. On a visit to her friend's Arizona hideaway for some much-needed R&R, Saber finds her carefully constructed defenses crumbling as bonds of trust begin to form between her and headstrong, persistent Travis. But will the arrival of a mysterious man from Saber's former life wreck the new one they hope to build together? Sometimes starting over means revealing *everything* about your past. Visit

From reader reviews:

Tonia Jensen:

Book will be written, printed, or highlighted for everything. You can know everything you want by a reserve. Book has a different type. We all know that that book is important factor to bring us around the world. Close to that you can your reading proficiency was fluently. A publication Larger than Life will make you to become smarter. You can feel a lot more confidence if you can know about everything. But some of you think which open or reading a new book make you bored. It is far from make you fun. Why they may be thought like that? Have you seeking best book or appropriate book with you?

Arthur Lee:

Reading a e-book tends to be new life style with this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only situation that share in the books. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this Larger than Life.

Charles Jose:

Spent a free time for you to be fun activity to perform! A lot of people spent their leisure time with their family, or their own friends. Usually they undertaking activity like watching television, about to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? May be reading a book may be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to consider look for book, may be the guide untitled Larger than Life can be fine book to read. May be it might be best activity to you.

Reva Morison:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Larger than Life can make you feel more interested to read.
