THE SISTER:

CORNWALL, ENGLAND. In the summer of love, 1967, two children witness a murder. One, a seven-year-old boy, views it from fifty yards – the other, a young Irish girl, from miles away.

LONDON, 2006. With retirement looming, DCI John Kennedy reopens the only case he never solved: the disappearance of a young nurse, Kathy, twenty-three years earlier. A Crimewatch cold-case reconstruction follows, tracing Kathy's last known movements. A new witness emerges, and Kennedy, finding himself on the trail of a serial killer, unwittingly sparks a sequence of events that lead him into ever increasing danger.

As the investigation unfolds, it becomes apparent that the murderer is no ordinary adversary. Resourceful and cunning, it seems only the original witnesses from 1967 can stop him.
But they have yet to meet.

The Sister: much more than an ordinary crime thriller.

'Fabulously detailed character description and development of a number of interesting people. The heroes were all flawed to some extent, and the most vile criminal exhibited a strangely moral aspect to his personality. I find that far more interesting than clear-cut good guys vs bad guys.
Intriguing and captivating.' Amazon USA reviews.

'A soulless serial killer threads his way through the lives of the characters relentlessly.' Amazon USA review

‘Just read it with no expectations of having read another novel like it.’ Source: USA Reviews.

THE LIFE AND TIMES OF WILLIAM BOULE:

‘If you're looking for an action packed thriller that you won't be able to put down, I highly recommend this one!’

Freelance journalist Carla Black sets herself up as bait to lure serial killer William Boule into the open to get a good story.
Acting on a tip-off, and against all advice, she travels to Morocco to find him. Once there, she enlists the help of a private detective, Bruce Miller, who has reasons of his own for finding the killer.
The plan works much better than she’d anticipated, and Boule is soon onto her, leaving behind a trail of dead bodies as he tries to catch up with her.

With the killer fast turning the tables on them, will either make it back home alive?

‘A blistering story from an author tipped as one of the top 50 crime writers to watch in 2014.’
